

Power Tools for Professionals

4-1/2" Angle Grinder w/ No-Lock-On **AG40-85PD**

Benefits: AG40-85PD 4-1/2" Angle Grinder w/ No-Lock-On

- Patented multi-grip paddle switch - allows multiple grip positions for optimal comfort and control
- No-lock-on switch - grinder turns off when the switch is released
- Robust 8.5 Amp 11,500 RPM motor - power and performance demanded by a professional
- Two-position vibration control handle - reduces vibration, providing uncompromising user comfort
- Directed air flow - diverts dust away from switch and vital components to extend tool life
- Ergonomic housing - increases comfort and control for extended usage
- Service Minder™ brushes - eliminates guesswork, stops tool when preventative maintenance is required
- Gear housing rotates 90 degrees - for better ergonomics and control in cutting applications
- Epoxy coated field windings - provides ultimate protection against abrasive dust and metal debris
- Toolless adjustable guard - quick guard installation and adjustments

Specifications: AG40-85PD 4-1/2" Angle Grinder w/ No-Lock-On

Amperage	8.5
Cord Length	8 ft
Height	0"
Length	12"
No Load RPM	11,500
Rating	120 V
Spindle Thread	5/8 -11 UNC
Voltage	120V

Warranty	Limited 1 Year
Weight	4.6 lb
Wheel Diameter	4-1/2"
Width	0"
